“ Tony and I were classmates at Moorestown High class of 1948. We kept in touch with each other until 2002 when I became ill. I want to contact his family through their daughter Ann Marie's email. Would someone please send me her email address or any other to:  
William Diamond at Billcars@gmail.com. I recently became aware that his wife Ann passed just 19 days after Tony.

“ Our beautiful mother passed away only 19 days after our beloved father. Our parents had an amazing bond which my sisters and I were able to witness spiritually, and how lucky are we to be products of that love. On Thanksgiving Day Eve in the hospital bed my Dad locked eyes with my Mom and said “I will wait for you Anne” and our Mom responded, “it won't be long Tony.” We miss them so much, and although we are grieving, we are happy they are young again and holding hands, something they loved to do. Thank you for your beautiful tributes and for the kind words, love and support of our parents and us.

“ Deepest sympathies to the Scafidi Family at the loss of both parents. I remember them fondly from my ten years at St. Charles as Associate Pastor. Their love and fidelity was classic and their commitment to family and church was outstanding. May they rest in the love of the Lord, together forever.

“ We are honored to be able to call Mrs. Scafidi a true friend, a loving Mother figure and a caring neighbor for many years. Her beautiful soul has left us far too soon! She is already missed dearly.

Our hearts are broken as we look across the road from our home. The beautiful and bright lights that were always there (ALWAYS THERE) have now gone to their new home in heaven.

What will never leave us is our wonderful memories of her. We will always cherish her and the laughs that we shared. Even just recently, at a time when it was almost impossible to smile, we laughed together. We will never forget those moments.

What will always remain a constant is the LOVE that lived across the road from our home. That kind of love (eternal), the love story that she shared with Mr. Scafidi can never be shaken from that foundation. A part of their love will always dwell there. When we are able, we will look out our front door and smile...honored to have known their love and their story.

Just as with her beloved husband....

We have been so fortunate to have her in our lives. It was truly a blessing for both of us. She will remain in our hearts forever!

With Great Sadness & Love,

Liz & Ed

“ My condolences go out to Ann's family. I am so glad I got to talk with her after Tony's funeral. She will be in peace with the love of her life. She told me how much she appreciated all that you girls did for both of them. My love to you all.

“ Anne and Tony were the sweetest couple that I had the pleasure of knowing through their daughter Terri. Although we are far away from them our hearts are with Terri and her family. From Brenda and Vince Scully

“ I've been visiting Anna weekly since May. She always had a smile for me even when she was not feeling well or worrying about Tony and her girls. She was always so thankful for any time I spent with her and always ended our visits with, "I thank you for coming". I will miss her so much! I pray that happy memories will bring you comfort in the days ahead.
