“ Thank you for being like a grandmother to me over the years. I will never forget how much dad always loved and adored you. I have wonderful memories of you interacting with little mick and the smile on your face when you touched his little fingers and toes. Rest in peace and enjoy wine and a beer with my dad. You will be greatly missed.

“ You became part of our family, a second Mom, how I will miss our mornings on the patio. You found such joy in watching the birds and seeing the beautiful flowers around you. How I wished every morning for the sun to be out for you. Thank you for the happiness you gave to all of us. We know you are truly happy being now with your heavenly family.
