

Joseph Charles Moran Jr.

March 27, 1949 - August 14, 2020

Joseph Moran Jr., March 27, 1949 (son of the late Joseph and Helen Moran) passed away early Friday morning, August 14, 2020. Joe is survived by his loving wife of 45 years, Carol (nee DeFrancesco). Joe is a beloved father to Jennifer (Henry) & Monica (Daniel), and a devoted grandfather to Vienna & Ava, who refer to him as Pups. Joe is survived by his three brothers, Patrick, Michael, and Paul, and one sister, Regina. Joe also leaves behind countless nieces, nephews, and friends that became family.

Joe was retired from PGW and drove a school bus for Delran Township thereafter because of his love of children. Joe never shied away from helping someone in need and became the neighborhood's go to guy. Joe had a love for history, cars, music, and sports. Joe was a member of the Knights of Columbus and a donor for the American Red Cross. Joe will be remembered for his positive nature & strength that warmed the room. There are no words to express what an amazing man Joe was or how much he will be missed; however, we know he fought a long, difficult battle. Heaven is lucky to have its newest member. We know you're not only walking again, but dancing with the angels.

Relatives and friends are invited to attend Joe's visitation on Wednesday, August 19th, from 10 am to 12 pm. Social distancing, crowd restrictions, and masks are required. We ask that guests pay their respects and promptly leave the building to allow other guests to do the same. His funeral service will begin at 12 pm and will be live streamed from Joe's tribute page on the funeral home website. Burial to follow in Magnolia Cemetery, 4500 Levick Street in Philadelphia. In lieu of flowers, donations can be made on behalf of Joe to St. Jude's Cancer Foundation, www.stjude.org.

“ What a beautiful and heart felt service. It showed how a simple man can leave such a legacy. A life well lived Joe. The world has lost a wonderful man. And heaven has gained one. Love to Carol, Jen and Monica and the whole family.

“ I was lucky to know Joe as he was my husbands best buddy. They met at PGW when they were just young guys, working together everyday for over 30 years. Through those years we shared so many wonderful times together at their house, with our daughters who were the same age. Backyard barbecues, swimming in their pool, always a fun time. Joe would make you feel welcomed and loved, along with his beautiful wife Carol by his side. John and Joe had some great times together visiting Florida, fishing, and just hanging out together. Joe was a great buddy, and John always looked forward to their lunch dates at the diner, chatting on the phone, and just hanging out. His love for family was always number one!! We will miss you so much, but so thankful for all the years of your loyal friendship. You are now at peace and watching over your family and friends from Heaven above. With our love.

“ Joe was our neighbor across the way. He was so sweet, so kind, so friendly. He always reached out just to say hello and to ask how we were doing. We enjoyed seeing him sitting in his garage. To the family, I am truly sorry for your loss and I will be keeping you all in my thoughts and prayers.

God bless,
Alexa

“ Joe was our neighbor and friend. Fondly referred to as the mayor of the street. He was the first one to volunteer to help no matter what the need. We knew we were safe if Joe was sitting in the garage watching what was going on. He always had a kind word. We moved in within months of each other and watched our children grow. Supported each other when they did the stupidest of things never judged. Rejoiced with their accomplishments. To say he will be missed is such an understatement. Carol, Jenny And Monica we are still here for you with anything you need. We love you. Tom and jackie Shields

“ My name is Joe Gilmore I worked @ PGW. When I started out in customer service department I was a rider on night work. First time I met Joe I was rider with him that night. I always brought my lunch . It was a Friday night during Lent so being a good Catholic I brought a tuna fish sandwich with me. We had small talk and then he asked me what was in the brown bag, I said it's my lunch. Joe looked at me, picked up my lunch took out my tuna fish sandwich proceeded to eat my lunch, LOL.. that same night, Joe made up for it treating me to lunch and a few beers LOL. Every time we're at a luncheon or a meeting or breakfast, he would always tell that story on how we met LOL. Joe was a co-worker but more he was my friend. Rest in peace

“ My husband and I had the good fortune to have Joe in our lives, all too briefly, for we also had the good fortune of becoming his daughter's in-laws. Carol and Joe shared a day with us, filled with sunshine and great joy, when our children wed They were also there to support our family, at a time of great despair, when my mother passed away a month after the wedding. The two of them; a source of comfort and delight. We will miss Joe's stories, his gregarious nature, and his presence in our extended family. I wish we had more time together, Joe. May you rest in peace, as we carry on with you in all of our hearts.

Love,
Sandra
