“ That way too stubborn beautiful lady...Enjoyed her company and conversation for the last 10 years tilling up her back yard...vegetables especially her yellow squash and super large zucchini. Delicious zucchini bread and a family secret on the Sauté squash...let's not forget my favorite animal the white and grey cat..it loved me....had many many great talks that I'll never forget with a one well rounded great gal....been around a while...street smart knowledge ....loved her. Except that damn cat...

“ Mrs .Early was such a selfless human being .I remember how strict she was with Chrissy whenever we would go out she worried about us she , would say you better not be meeting any boys if you do make sure they aren't ugly and stay out of Philly we were like that's where the cute ones are .She said that's were the bad boys are .She liked to watch tv and , do crossword puzzles to keep her brain sharp she would say .She was a smart ,hard working , funny loving lady who loved God . She dedicated her life to raising foster children which I admire her for .
