

## Lilly E. Lipinsky

June 7, 1937 - February 8, 2019

Lilly E. Lipinsky (nee Sichler), 81, went to be with the Lord and to join all those who went before her in Heaven on Friday February 8, 2019.

Lilly loved to make big family dinners and never hesitated to invite anyone to join the family. Sunday's were family day, spent going to "The Woods" (Lake in Indian Mills) and playing cards and having her favorite meal, steak with corn on the cob, and salad. Lilly enjoyed life and knew how to have fun. She loved traveling, dancing, and being with friends and family. She wore many hats in life. Before she was married she was a cook and managed a restaurant. She became a wife, a mother and grandmother. Later she was an entrepreneur, making crafts and selling them at craft shows, cleaning homes, selling at flea markets, and antique shows, and couldn't pass a yard sale without stopping.

Lilly E. Lipinsky was a loving wife to her husband (late) Edward Lipinsky of 30 years and a dear companion to William Glassman. Lilly was a loving mom to her children Walter (Linda), Sharon Ryan (Lawrence), Edward (Susan), and June Farrell (Craig). She was a caring Grandmom to Donald; Kelsey, Jason, Jenni, Kara; Edward, Joseph, Daniel, Jessica; Brittany, Nicala, and Cody.

“ I can still hear Lilly singing "On The Way To Cape May" and will always think of her when I'm down the shore. Your mother shared everyone's birthday who had a birthday in the month. Oh how we loved those monthly birthday parties at the Lipinsky's. I can still see those long party tables lined up with balloons in the dining room. Your mother never forgot anything or anyone, How special your parents were. Thanks for including us in your family's celebrations! Love the Obergfell's and Mosteller's

“ There are so many memories we shared with Aunt Lilly. The is one that I would like to share with all of you today. I was a teenager at the time. We came for a visit there was a family get together my Uncle Rolland and my grand pa made the trip up. My aunt Lilly was so excited to see us we went to New York we rood the subway as you can imagine it was a thrill for me as I had never been on subway we watch fireworks and went to a fourth of July parade. But what I rember most is all the laughter as when you got Aunt Lilly and My Uncle and grandfather together is was like going to a comedy show. I will miss your laughter and smile. Love you

“ Lil was the best. I shared so many of those Sundays with the family. June and I have been best friends since we were 6 so the stories and memories are many. She indeed loved to cook. Her Christmas cookies were the best. From the time June and I over flowed the bath tub and flooded the basement, right through making Lil listen to our concerts and shine her "bee hive" lights on us as kids and then trying to teach her and my mother horseback riding lessons (they wouldn't stop laughing). The genuine laughs and happiness were an amazing part of my childhood. There are people that have such an influence on your life, she was one of those people. RIP to one of the greatest. With love, Kelly

“ I always looked forward to talking with Mrs. Lipinsky. She had a great smile and a very upbeat personality. She and her husband were two of the Delran Music Parents' Association's biggest supporters back in the "old days." We could always count of them to volunteer to help out and work hard with those smiles on their faces. May Lilly rest in peace.
