“ Pat was our neighbor and our friend. She loved life, loved to laugh and even shed some tears with us. She was courageous and kind and always managed a smile. Pat loved sitting on her porch when she was able looking at the flowers and birds, enjoying God's gifts with a cup of coffee too. Her faith was steadfast even when she was struggling with unstoppable health issues. Pat, you will be missed, rest in peace in God's hands until we all meet again. Joe and Beverly DeSilvis

“ Pat was my sister of the heart. She had the generosity of spirit to make everyone feel that they could not be more brilliant, beautiful and important. She has been my trusted confidant for more than 50 years. I am lost that I can't text her now and ask if this is a good time to chat. We called ourselves the “bad girls”. But we were really sisters of the soul who cherish one another and have fun together. We will continue in Pat's honor but our hearts are broken.

“ Pat, my heart is broken knowing you've left this earth. The void that is left cannot be filled. I thank God for you. I can still see the Captian of the Girls School Patrol who was my big sister standing atop the entrance steps of Saint Wendelins. I saw you act and sing in plays and Christmas Cantatas. It was you who dropped me of at the Federal Building when i left for the Air Force. Our precious years together at Kings Grant will never be forgotten, Watching Billy play football at North Huntington, and later with New Hampshire was so much fun. I was so blessed. Most of all thank you for loving Melonie , Melissa, and me so very much. You were a shining star of Faith, Hope, and Love to everyone you met. I know your in Heaven but it still hurts. Watch over and pray for us all. I will forever Love and Miss you. Your Brother, Bill

“ Dear Pat. I would like to thank you for listening to me during my difficult times and always speaking with your spiritual words. I did not see you often except when you went to Melonie and Bill's house for the holidays. One thing that I will always remember is your smile. You had a smile that could light up any room. You were loved by so many people and all of us will have broken hearts because you are no longer with us, However, I'm sure God has some bigger plans for you. I know you will be watching down on so many people, especially Bill, Melonie, and Melissa. So I must say Good bye to a very special person. Good bye Pat, with love and admiration.

“ Dear Patti,

There are just no words to say Goodbye after 30 years of a wonderful friendship! I've decided instead to thank you for being such an amazing friend and co-worker. I will treasure the memories and remember all of the laughter we shared throughout the years. I will miss your contagious laugh and funny sense of humor, our lunches in New Jersey with the girls, and our talks and texts about every day life. You were always selfless, generous in spirit, always tried to give back as much as possible and help others. You were the friend that always wanted to save people and deeply cared about them. You were truly a blessing and an inspiration to us all. I am heartbroken that you are gone, but am most thankful for all of the years that I had you in my life. You will forever remain in my heart. Until we meet again,

With Love, Your Forever Friend,

“ My Dearest Sister in Law who was really a sister to me. I cannot even express my heartache and how much I miss you already. You were a true blessing to all who knew and loved you. I will miss our chats, our text, our laughing and crying, the many holidays we shared, the food and most of all I will miss your faith that so often comforted me in times of need. You were an example to us all on how to trust and believe in God. You were such an influence on our daughter Melissa who loves you dearly and who I know you loved so very much. “ Even though we were near in age, I always referred to her as "Aunt Pat" and being the nice lady she was, she didn't seem to mind at all. What I remember most is the love she had for her niece, Melissa. Melissa happens to be a dear friend to my daughter, Ann, and Aunt Pat spread her love to my daughter as well. A dear lady with enough love to go around to lots of people. RIP--you will missed but not forgotten.

“ My precious Pat.

I am heartbroken that you are gone. No more visits or lunch dates or shopping or time spent fellowshipping. Our 25 year friendship on earth ended too soon but I know that I will see you again. Rest in the arms of our Savior my love, and give Dan a great big hug for me.

“ I have known Pat since our sons were 4 and I have been blessed to have such a dear friend. We have shared good times and bad times. Pat you have been a blessing to so many people and it is difficult to believe we will not talk to one another until we meet in heaven. I am missing you and cannot wait till we can gab together again. I know you are probably stirring up the heavens.

God bless you always dear friend.

“ Aunt Pat was an amazing person. She was truly beautiful inside and out. She was a brilliant and powerful woman that was an inspiration to us, especially the working moms. She always had a smile on her face and could make you laugh. She truly made you feel important and loved no matter what. I have the fondest memories on her growing up and more so as an adult who would keep in touch with pictures of the kids or for advice. I could text her anytime and she would be available to talk or give words of encouragement. There was always a sense of calmness to her. We would laugh, laugh, and laugh some more. Her quick wit makes me smile. She was so loved by everyone she met. She was a part of my mom and dad's lives since childhood. She was family. My dad (Big Ed) passed away suddenly in October. I know she is up in heaven making my dad laugh now. We all know her faith was so strong and she had a direct line to heaven. My youngest is going to kindergarten tomorrow and I am so sad that I can't send her the pictures and get her advice. Aunt pat, we love you so much. You have touched so many lives. Thank you for the wonderful memories and laughs. We know that you are finally at peace. Please keep my dad company. We love you! Maureen (Bartek) Hayes and the Bartek family
