“Pat was one of the first people I met at Jacquins and he helped me learn the ropes - He was driving the ice cream truck at the time and he showed me what i needed to do. You will be missed big guy and nobody knows the many hats that you wore. May you rest in peace.

“ Emma,
There are no words to adequately describe the shock and sadness over the loss of Pat. He was the first smiling face I met when my daughter and I moved in 13 years ago. I'll miss our over the fence chats and meeting up while shoveling out front. My heart is heavy.

“ Emma,

I started missing Pat the minute I found out he was gone. He was like a brother to me.

Like I said a hundred times today he had a special relationship with every one of us but yet treated us all the same. We all got to enjoy his one of a kind sense of humor whether it was sarcastic or not we all looked forward to having a conversation with him.

There was no one like him. I am a better person for having had him in my life.

My love and prayers,

Peggy Mauro

“ Pat,

So many broken hearts are left behind so many. I am going to miss you buddy. This world was such a better place with you in it, I know heaven even got a little more brighter. Thank you for always putting a smile on my face, the jokes, and most of all for being a friend. Jacquins will never be the same. You had the biggest heart, a gentle giant, a such a sense of humor. We love you Pat, and we will miss you terribly.

Emma,

He loved you more then the sky, I am so truly sorry and thinking about you.

Pat, keep heaven laughing like you kept us,

“ I write this with tears in my eyes.. Pat was one of the funniest and kindest people I have ever known. I knew him not only from working with him during my time at Jacquins, but he and Emma are dear friends with my parents and were over hanging out with them many times and at many family parties we had. Emma- he loved you dearly.. that was always so evident. My heart goes out to you, your family, his many friends at Jacquins and beyond.
