“ So many great memories we will remember about our dear friend and neighbor Al. Fishing trips, vacations, dinners out, long drives to Shenandoah PA to get kielbasa or just hangin in the driveway. For about 13 years the 3 musketeers went on their Father's Day weekend fishing trip. I lost my best friend, rest in peace Al, love you Buddie.

“ *I have so many fond memories with 'Uncle Al', Leonore, Denise and Lisa. We grew up together, traveled together, shared many holidays and were as close as family. Uncle Al was my father's best friend. That friendship began as they were teenagers and never changed over the years. We all loved him. He always had a smile on his face. He was warm and fun to be around. It is difficult to accept that he is no longer with us.*

*Those we love don't go away,  
They walk beside us every day,  
Unseen, unheard, but always near,  
Still loved, still missed and very dear.*

*My deepest sympathy,  
Love - Donna Gugger*

“ *I remember growing up and going to my grandparents house weekly. There were always tasty cakes in the fridge and my grandfather would impersonate Skeletor with a flashlight. I have great memories of our trip to Disney World and our yearly trips to Wildwood when I was younger. My grandfather got me started in the liberty movement when he let me borrow the Libertarian Handbook ( *Libertarianism In One Lesson* ).*
