

## Alice June Anderson

June 19, 1931 - April 2, 2021

Alice J. Elder Anderson of Delran, formerly of Palmyra, passed away quietly at home on April 3. She was 89.

She lived a happy life with her husband Philip at Rainbow Meadow Farm, now Laurel Run Park. Alice managed the farm market, and loved the many friends she made there.

But most of all she loved her home, children, and grandchildren. She hoped to be remembered as a kind and caring person. Her loved ones know this is far too modest.

Alice and Phil were married 66 years. They managed to frequently make Florida their winter home, and also traveled to Canada, Hawaii, and many other places. In 2003 Alice and her daughter went to London; this trip shaped the rest of her life. It renewed her lifelong curiosity and appreciation for history, and informed much of her reading.

She enjoyed game shows, telling stories, self-deprecating jokes. But she was happiest when listening, learning, and helping others. She loved discussing books with her older grandson, and countless people can attest to her quiet charity. But she wouldn't use that word. Alice understood life is hard, and you never know what others are up against. So she showed everyone equal love

and care.

Alice is survived by her children: Raymond (Cheryl) of Delran; Leigh (Jack) of Mt. Laurel; and Bryan (Faith) of Delran; her grandsons Justin Sherin (Miranda) of New York City; and Bryan Anderson, Jr.; step-grandchildren Chelsea, Randy, Angela, and Christopher; sister Joan Schaeffer, of Jupiter, FL, and many nieces and nephews.

Phil predeceased her, as did her siblings Marylou Kieffer, Horace Elder, William Elder, Robert Elder, and Jerry Elder.

Relatives and friends are invited to gather at Givnish of Cinnaminson, 1200 Route 130 North, on Saturday, April 10, from 9:30 - 11 am. Her service will begin at 11 am, with the burial to follow at Lakeview Memorial Park, Cinnaminson. A livestream will be available at <https://my.gather.app/remember/alice-june-anderson>; please consider your own safety before attending.

“ Dearest Mom Mom,

*If one person I have met throughout my life epitomizes a life well lived it would be you. You were so loving and caring for everyone to be in your presence was to know selfless love was possible. You will be missed, knowing you made life better and inspired others to be better. The world has a little less light in it now. I long for the day when thinking of you will bring a smile rather than a tear because that is exactly what you would have wanted for all of us.*

“ *My sympathy goes out to my friends the andersons. I have many fond memories spending time on the farm and working at the stand. Mrs Anderson was my farm mom, I am saddened to hear of her passing.*

“ *I am saddened by your passing, but it brings me comfort knowing that you are finally reunited with Phil(pops). I thank God for allowing our paths to cross in this life. I will always remember that beautiful smile, the little things, for example, as you never left your house without your hair and make up being done, you would not allow Leigh to be taken outside without her make up being done either 😊 ...you always took out your lipstick and used it on her, so she looked as cute as you did. I will cherish the memories until my time is done here on earth too. See you later mom mom💕*

“ Dear Mom Mom -

*I told you more than once you'd never die. You laughed and said you didn't know about that.*

*Well, I stand by it. You never gave up or let anything beat you. You're just a million places at once now, like you always wished. Looking after all of us, with plenty of time left over for your books.*

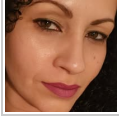

*You're a giant. So it was and ever shall be.*

*All my love always,*

*Justin*
