“ *Aunt A was always such a proper woman. Her and uncle Tom loved to play tennis. Before they moved to Florida they took pride in cleaning up and maintaining the Beverly Tennis courts, which they played there often. For my wedding they gave us a beautiful crystal platter, which we still cherish today. She told a crazy story about when she was held at gunpoint at her work one day and it happened to be on my birthday, she always would say, "i will never forget your birthday!" Dennis and I went to Florida for a visit and spent a few days with Aunt A and Uncle Tom. They were so proud and loved their community they lived in. No surprise there how active they were, driving around in the golf cart everyone was waving to them and saying hello by name. Aunt A used to call great Nan - Mother, which again showed how proper she was. I know she is resting easy with Uncle Tom and her grandson Michael. We will miss you. Until we meet again, we love you! Thank you aunt Kathy for all the unbelievable care you were able to provide for aunt A. I am sure it made her passing easier for her.*

*Love,*
