“ Just a wonderful person. Always easy going and with a smile. I first met Andy when I was about 10 years old when he would come to our house to watch Flyers games with my brother and friends. He was always so nice. As was custom with our family, we would get jobs at Heals Farm, where Andy and Pat worked. Such great people. So many fond memories in the fields, the stand, the bakery-selling Christmas Trees. Wonderful families. Pat Sarah and Fran please accept my deepest sympathies.
