“ I am in disbelief hearing about the passing of Drew. I just found out today and in complete shock. I've worked with Drew for the past few years at Freedom Mortgage and was sad to hear that he was no longer employed. He was such a nice down to earth guy who loved his sports teams. My condolences go out to his wife, children and family. I will keep you in my prayers during this difficult time.

“ I will always remember him as a loving, caring and full of life. A great role model for a father. He would cheer up the neighborhood before school by engaging the group in passing a football etc... Jan and Dan Stehlik

“ I am sorry to learn of Andrew's passing. While I don't recall it as I experienced a Traumatic Brain Injury, my wife, Krisi tells me we enjoyed each other at Tricia and Chris' house and that I reached out to express my thoughts when he was first diagnosed. I am so sorry for your loss. I only wish I could recall him. Much love to you all. Beautiful family, be strong.

“ I'm in disbelief to be writing this, my sincerest condolences go out to Heather, Alex, Cara, Ryan and the rest of Andrew's family and friends.

*Andrew's wisdom, guidance, and unwavering support helped shape me into the person I am today. But it's not just me, he had such a large and positive impact on so many lives, and his passion for helping truly shined throughout his career. If you ever needed advice, whether it be work related or not, he was always there to point you in the right direction.*

*I used to always joke that I wanted to be just like him when I grew up, but I truly meant it. He was someone I idolized and viewed as a mentor throughout my career, I was always hopeful my career path would mirror his.*

*I will always cherish the valuable lessons he taught me and the moments our families have shared together. Andrew's legacy lives on in the countless lives he touched, and I'll forever be grateful to call him a friend.*
