“ *Sending love and hugs with deepest sympathy at the passing of Aunt Anna. I have some memories of she and Uncle Joe visiting Grandmom and Grandpop in Vineland when I was little. My clearest memory is of them all sitting around talking in Italian and not being able to understand what they were saying. She was a kind woman and is now without pain in the arms of Our Lord Jesus. I pray that over time your pain of her loss will lessen.*

“ *I am so sorry to hear of Aunt Anna's passing. I have many fond memories of her. Her Italian accent would always put a smile on my face when she would tell stories. She had a great sense of humor and was a very loving mom and grandmother to all of you. Art used to tell me many stories about your family and his love for Aunt Anna and Uncle Joe. He loved going to the farm and reliving his younger days with your family. Now he is reunited in heaven with Aunt Anna, Uncle Joe and Joey, probably telling amusing family stories of their time together here on earth. Aunt Anna will be greatly missed by all of the lives she touched here on earth.*

“ I know as she slipped from your arms, she was greeted with smiles and many waiting arms in Heaven. I'll remember the stories about her going to Atlantic City.. all the ceramics she made for you girls and the tons of gifts she bought for you while she worked at Wanamakers...and her amazing dinners! She was surely loved and cherished and will be greatly missed.
