“ Anna was my cousin (her Mom was my Dad's big sister). I remember Anna mostly from fun summer times with the Pierson family in Sicklerville. I'm sorry that we won't make her funeral. Please accept my sincere condolences.

“ Aunt Anna was a wonderful person and a terrific Auntie to me. She tried really hard to take the rebel out of me when I was a teenager. I sure did frustrate her, but she always stuck by me. I will miss her. My very deepest sympathy to you all. So many good times to remember. Loving you.

“ *Anna was my big sister! I really cried when she. Got married because now I would have to sleep alone! She was always by my side when I was afraid! We had a special bond growing up! Love her with my whole heart! As we all grew up and married and had families of our own we didn't get to see each other very often but the bond was never broken!*
