“ *Lorraine, Carol, Vic, Walt and your families ~ It was such a shock to find out how sick Cha Cha Anna was and then have her decline so quickly. I was so glad we did get to spend the time with her when we did a few weeks ago. She was not only our aunt, but my Godmother, who I loved very much. She was like a second Mom to me, spending many, many summers with her & your Dad, & you both, Lorraine & Carol. Many happy memories there. The Easter Egg hunts w/our kids when they were small and special holiday times and times at the beach. Also her sense of humor, until the end! My prayers are with you all at this very hard time and remember all the good memories she left you all with ~ they will always be with you. She was a great Mom and grandmother! With love always, Millie Russoniello*

“ *Lorraine, Carol, Vic, Walt and Family,
We truly have lost a big piece of our family.
Cha Cha Anna was truly a wonderful person
but a very dear Aunt to us. Sharing many
happy memories over the years with her will
always be in our hearts. I suppose the biggest memory of her that
cannot be replaced is her laugh. It always made you feel that she
enjoyed your company and appreciated you being with her. Jim will
always remember the kitchen table that your parents had. He
always would remark to so many how this table was so great. No
doubt, it was a model of the 60's and kept in such good condition
that he felt it was a masterpiece. He probably is right. Everything
they had they treasured and that is why their home was their home.
She was loved by all of you and it was certainly noticed. Any mother
would have been proud to know that she was taken care of with
such love. We share your grief and may you know she indeed was
"Special" to us. Cha Cha Anna we loved you and will be missed by
all of us.*
