“ *My family got to know Anna as we were at Riverview Estates often to visit our Mother Veronica Davidson. We all enjoyed talking to Anna and missed seeing her after Veronica died. Anna was a joy to talk to. She always had a smile and a warm hello to everyone. I remember her loving the front porch and you could always find her out there or sitting on the swing near Bank Ave. If she wasn't there she was at BINGO. I smile when I think of Anna and I'm sure that everyone who knew her, including the Staff at Riverview, will miss her. I know we will !!*

“ *I have such fond memories of Anna from when I was a teenager. She became friends with my parents through an Italian club and I will never forget her laugh or her funny stories. My Mom is deceased and my Dad has dementia but thinking of Anna brings me back to a better place and time. God Bless Anna and her family. She lived a long life and touched many people along the way. I just lost my only cousin at age 69 this week. She knew Anna too and i know these two are in a much better place.*
