“ Mom,  
I am missing you more than I can ever express. You were the most wonderful Mom anyone could ever have wished for, and you were mine!! I will love you forever, miss you eternally and talk with you many times during my days. You were an amazing Nana to Josh and Sami, simply the BEST. Thank you for always being my rock,( and my rock star) you always helped me, I will be looking for the answers I need from you in a different way now.  
I feel you with me, with us, and that makes this a tiny bit easier to deal with.  
I love you, forever.  
Kar xoxo...

“ The symbols of language seem a most inadequate expression of sympathy when we grieve the loss of the dearest to our heart. However all I can say is that I believe God, in His infinite wisdom and love, called Anne from our world so she could share in His eternity of love and peace. I pray that God's Peace take residence in the lives of all those Anne held dearest to her heart.

“ Nana, I will miss you every second of every day. You were my everything, when I had a problem you would solve it. When I was upset or feeling defeated you would pick me back up and make me feel good again. You're love was unconditional, I couldn't have asked for a better grandmother, you were always laughing and making everyone else around you laugh. Losing you will be one of the hardest things I will ever have to deal with. I'll take care of our family, you helped raise me and I couldn't have asked for a more amazing role model. I'll make sure I keep our family traditions alive. I love you more than words can express. Watch over all of us my beautiful guardian angel. Josh

“ Thank you for sharing your life and family with me. Thank you for your unwavering support and loyalty over the past 40+ years. Thank you for your humor, grace, generosity,knowledge and everything you shared so freely with so many people. There is a big hole in my life now, but I know in time your spirit and the memory of that infectious smile will fill this void. My heart gives you to God now.
