“ *My mother Dorothy Wilson shared a room with Anne. She is a lovely, caring person and always greeted me with a big smile. You will be greatly missed but remember you are not gone just: absent from the body present with the Lord. Xoxoxo*

“ *Mrs. Bowen was one of the greatest people I've ever had the fortune to know. She was like a mother to us all and was one of the most forthright, honest and well-intentioned persons I've ever seen, aside from being brilliant. A remarkable woman. May she rest in peace and may God bless her. There will never be another quite like her. I'll never forget her kindness and spirit.*

“ Mrs. Bowen was a woman very much a head of the times. She was a wonderful neighbor and friend. She made the best pineapple upside down cake. I can still remember going to visit her and sitting on my mom's lap while they would drink coffee. She would always give me a plateful of almond crescent cookies and a glass of ginger ale. She knew how to throw the best kid birthday parties. She loved her boys and her community. She was a good role model. May her memories comfort you at this sad time. I will always smile when I think of her.

“ Mrs. Bowen was a wonderful person. She and my mother both served on thr Delran PTA for years and I remember many times going to her house for a picnic and swimming. My thoughts and prayers go out to the entire Bowen family.

“ *Anna was a Very Special Lady to me, and to all of us here at Marcella Center. She was the voice of our Residents, being the President of Resident's Council. She voiced her opinion at meetings as to what could be done to satisfy our Residents needs. If someone had a complaint, they went to Anna and she always try to get the problem solved. She also delivered the mail, among many other things. I would have loved to say goodbye to Anna, but I will be away on the day of her celebration. She will always have a special place in my heart, and will be missed dearly by all of us. Rest in Peace Anna, and I know you will enjoy Heaven. :) Loretta*
