“ My Aunt Anne has always held a special place in my heart. She was, and still is, my favorite person. There was something about her gentle nature and the way her eyes lit up when she smiled that made me feel so loved. Every time I knew I was going to visit her, a wave of excitement would wash over me. I remember the long drives to her house, filled with anticipation.

She had a way of making the everyone feel so special. I remember reading books with my aunt, and it was one of the most enjoyable activities ever!! She truly was one in a million, a rare soul who radiated kindness and warmth.

Even though she's no longer here, the memories of her laughter, her hugs, and her unwavering love remain vivid in my mind. I will cherish those memories forever, holding them close as a reminder of the incredible woman she was.

RIP Aunt Anne love you.

*Your Nephew,
Bryan*

“ Mrs. Rocco was one of my favorite teachers. Her love of her students and education inspired me to pursue this path. Many years later, when we moved to our own home incCinnaminson, we had the true pleasure of being neighbors for several years with Mr. and Mrs. Rocco. We were blessed to know them and have our daughters know and love them! She will be missed. May angels lead her in.
