“ Dear Di Martino family:

*I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.*

“ Tony was our neighbor, and most importantly...our friend! Our many, many times leaning against the cars just shooting the breeze. Busting each others chops about whos turn it was to cut the lawn. His cheerful greeting every time he saw you!

He will be sorely missed!!

Rest In Peace My Friend!

“ He modeled the characteristics that we try to instill in our children today: faith, honesty, hard work, dedication, and loyalty. He was a great role model and mentor to all who knew him, and I feel fortunate to be one of those. We all have wonderful memories of this great man, and I know those memories will sustain you in the coming days. Though he is no longer with us, his influence will still be felt in the family that lives on.

“ *Uncle Tony was a spiritual Father to all his nieces and nephews as well to us that lost our Father's. I will miss the chats on the phone but never forget Christmas Eve with him and him reminding me that I shouldn't let anyone steal my joy since that is what the devil wants. I will see you in heaven some day Uncle Tony.*
