“ *To Arlene's family,
I am one of Arlene's friends from our sorority from high school. We kind of lost touch the last few years and just found out about her passing yesterday when one of the girls got the Christmas card she sent Arlene back from the postoffice with deceased stamped on it. Then found her obituary online.
Please accept my deepest sympathy to your family. I can't believe it has been a year and sorry that we didn't know sooner. We lost another one of our girls in January this year, Karen Metrow. Our sorority girls have been friends for 60 years, since we were 15 yrs old.
I hope that as time passes you will be comforted by memories of happy times you shared with her. The video was beautiful.
Sincerely,
Barbara Walsh*

“ I always thought of Arlene as my cousin Johnny's best friend and mate - supporting him in everything he ever did, regardless of the outcome. She was so perky and so very pretty. I'm sure she will be made most fulfilled now that she can join her dear husband in all eternity. Rest in peace, Arlene.

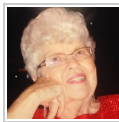

Love,
Terry Trudeau

These are my memories as well. Arlene was so loving and yes, pretty as a model but even classier!

Lived right down the street from the Ridgways so our children were in & out of our houses, didn't see each other a lot we were busy trying to keep up with John, Jr. & Matt, & my son Dave, & Alan Hylar, they sure had fun, so happy to get to see her again when we got together & had dinner with her & John's family in Gatlinburg, we had a good time reminiscing & I think Arlene & I found out some things we had not heard of before. I think they all knew when I was baking choc. chip cookies. May you rest in peace Arlene, our condolences to all the family. Love Ardyce Bussard
