“ My favorite memories of my pop was when I was young and every day we played video games , hide and seek , and played Nintendo in our bean bag chairs for hours !!! and all the nights at the dinner table when he would make me laugh through the entire dinner . Him jumping out of corners and rooms and scaring me so bad I'd pee almost pee my pants ! His jokes , and how he made me feel like I was his child. But.... My best memory of all was him walking me around mill creek park for hours until I fell asleep on his back in This bright yellow Baby back packer . I felt so safe with my pop , and that was the best feeling in the world! I love you pop to infinity . Sleep with angels and I'll see you in my dreams 🙏🙏🙏
