“ We had the pleasure of meeting Audrea at the wedding of our daughter, Monika, to her grandson, Rob Camilletti, last year. Audrea had a great energy about her and emitted so much positivity. Our memory of her is captured well in a photo which was taken just after she blew a kiss to all present at the wedding reception which followed. We were glad to have the chance to meet her, and to know what a good influence she was on those in her family, and on others who she knew.

May she rest in peace, and may those of you who knew her well continue to hold her memory in your hearts.

With all best regards,
