“ *Barbara was a second mom to me in the 12yrs I worked with her. She gave me grief when I misstepped, and celebrated every good thing in my life. I'm going to miss her sorely.*

“ *Well what can I say about Barb, she was my Thelma and I was her Louise, we caused more trouble at Roger Wilco in Haddon Heights and gave our boss Art such a hard time, we laughed all day long, we had some really good time, We were the moms of the younger kids in the office, but we were in trouble more than they were, Barb, I hope you brought your different colored pencils with you to do those Bank Recs,,, Love you my friend... Be in Peace and don't pick on BUD*
