“ *Barbara will be truly missed. She was one of the funniest people I've known...her humor and loving personality always shined through. She was my Mom's best friend and was truly her closest confidant. I am sure Barbara is in heaven looking down on ALL her family and friends watching over them and sending her Love. She will be forever in our hearts and NEVER forgotten...Rest in Peace Barbara...you will always be in our thoughts, you are an angel among us!*

“ *Sal,
Frank and I are so saddened to hear of Barbara's passing. What a special woman she was!
She wore many hats in the roles of beloved wife, mother, sister, aunt, friend and most of all loving grandmother to her beautiful and loving grandchildren.
She was a blessing to everyone who knew her!
She always looked out for others and always brought her gift of laughter.
You and Barbara have raised your family to be kind, courageous and loving.
What a great accomplishment!
We will truly miss her!
Our prayers and love always,
Frank and Linda Cleary and family*

“ *I am so sad not just because I am going to miss you so much but also bc I know how many great people are struggling with your loss. You have touched so many people's lives. I remember being dropped off at your house when I was younger and running up and just walking right in, never knocking. Your house was such a home and anyone who walked through the door felt it. Thank you for Vikki !!!! My dear dear friend. She is such a wonderful person ,she puts everyone else needs before her own. If the world had more people like her what a better place it would be. She is who she is bc of how you raised her. I grew up loving your entire family and always felt a part of it. They have to be the funniest group of people I have ever met , they make you laugh so hard you cry. I have so many great memories! You did a great job on this earth and I love you*

“ I will miss you mom for the rest of my life. You taught me how to be a loving mother and to be tough when it matters. You helped me so much through such tough times, you were my rock and now I feel lost and I am not sure when my heart will start to heal, but I know you will always be looking out for me and guiding me. Tell God thank you for giving you to me. I love you, Vikki
