“ *I have very fond memories of Barrie and the boys from the years she attended St Stephen's Episcopal Church in Beverly and was the school nurse at St Paul's School in Burlington, NJ treating each child with kindness and love. I did not realize that Barrie lived near my Dad in Edgewater Park till 3 years ago when my Mom died and I was over caring for my Dad and I saw her walking her dogs by the house,,my Dad wanted to tell me her name was Barney and I had to keep correcting him,, he will be 91 in August and was very upset when I told him of her death. Stay strong and hold tight to the wonderful memories,,,*

Sincerely,

Kathy Morgan, son- Patrick Morgan, and Dad-Arthur H Leary Jr.

“ Dear Family,

My sincere condolences on this very tragic loss. I met Barrie through our love of biking, but we found we shared other things in common. She was a very special person, kind and good, and I know she will be terribly missed.

“ *Barrie was an angel sent to me during the most difficult time in my life, when my father was ill and nothing more could be done for him. She walked into the house with that beautiful smile on her face and my father's eyes lite up, he would not speak to anyone until "Barrie" would come in. For seven days she was there for me at any time of the day or night and I will always appreciate her for all she gave to me to help ease the pain of the loss of my father. She was compassionate, loving and truly cared for not just the patient but the family also. Her beautiful smile and brilliant personality will be missed.*

Thank you Barrie for taking care of my dad Ralph and when you see him in heaven don't let him get to fresh with you,, Thanks and love to your family

“ *This is to Barrie's boys.. Your father is my step father(William Smith)'s nephew. I met your Mom at times at my mothers. Oh how they loved both your Mom and Dad. Then further on into my life journey your Mother came to work at Samaritan Hospice where I worked before I retired. It was nice to reconnect. In spite of your Mother's hearing problems she made a terrific nurse. However, her greatest love was that of her boys. Oh how she would light up when she talked about her sons and how proud she was of them. Keep that close to your heart. With deepest sympathy ...Judy Taylor*

“ *Barrie was the "first" person I met in Edgewater Park! Being newly married and new to the neighborhood I took a floral class. She was so pleasant and being very pregnant with her first child I was amazed. We chatted and exchanged addresses. Sometimes we would meet up to walk with Stephen in tow. My daughter (Kayla) and Charlie were in the same class. I will miss seeing her walking her dogs and stopping to chat and catch up on our kids.. ! She had an amazing smile.. Wishing you comfort, peace and strength.*

“ *Dear Stephen, Charlie and Nicky:
I am truly sorry for the loss of your mother. She was an amazing human being. Throughout the years, as Stephen and Bobby growing up together, mom was such an inspiration every time I would talk with her
Just last week, I did see her, I waved hello as she walked the dog.
Your mom was the best of the best.
I am very sad that a wonderful woman like her has gone. Please know that you will be forever in my prayers.. Mrs Williams*

“ Dear Stephen, Charlie, and Nicky,
We are both saddened to hear about your loving Mom's passing.
With great sorrow we offer our sympathy to you all.
I had the pleasure of walking with Barrie dozens of times through
the years. Our conversations were often about all of you kids,
school, work, and our own personal thoughts.
We also spent many hot summer days at Riverdel and Tall Pines
swim clubs. Barrie's energy was inspiring to us. Your Mom was a
wonderful friend and a very caring person.
All of the McPhillips and Iwanicki family send our love.

“ Mrs. Young was my school nurse as a child and always managed to
keep a smile on my face no matter how terrible I felt. I would
frequently say that I felt ill just to go hang out with one of the nicest
people at Saint Pauls. She was one of the only people there who
made me feel good about myself and is one of the reasons that I
grew up with a smile on my face. Rest easy and know that you
made a difference in my life.

“ Every encounter I had with Barrie was filled with encouragement! I
NEVER saw her without a smile on her face. My heart hurts at the
thought of not seeing her smile or receiving one of her hearty hugs,
but rejoice in knowing that I will see her again!

Two Barrie's family my deepest and most heartfelt condolences.
You all are in my prayers during this difficult time. May God
overshadow you with His love grace and peace.

“ *Barrie was the first nurse I ever worked with, at Samaritan Hospice, when I made my career change. We worked together with many patients and I learned how to be a great advocate for my patients by watching her. Her empathy and caring for her patients was second only to the loves of her life - her boys. There isn't a mother out there that was more dedicated to, proud of or loved her boys more than Barrie.*

Barrie came to FUMC because she wanted to do more to reach and help those in need. She didn't feel she had those opportunities at the church she was attending. Barrie always had a smile, a hug and positive attitude to share. I will miss her smiling face, hugs and encouragement. Rest in peace and hug your mama sweet friend, Martha.

“ Mollie, Bob, Stu, Nick, Steve and Charlie and entire family,

We are so very sorry for your loss. All of our thoughts and prayers have been with you since we heard the sad news on Thursday. Barrie was such a loving, kind, warm and thoughtful person and cousin. She lived life more fully in her 55 years and touched more lives than people who have lived 100 years. She and Norm made the long drive down from NJ twice to spend the day with Kathleen during her final few months. Barrie brought homemade loaves of raisin bread for everyone, a hand-made knit glasses case for Mom. She spent the entire day with us, entertaining her with fun memories and filling us in on 'the boys', and cheering Mom up with her beautiful smile. Mom loved Barrie so much, and it meant a lot to her and us that she took time out of her busy life to visit her.

Barrie was extremely proud of you, Nick, Charlie and Steve; she was always sharing updates on your accomplishments and lives with us. She would also talk about how much she loved the family reunions with all of you, Stu, Mollie and Bob, and your kids, as well as all of your visits with each other.

When Barrie and I were texting last August about her and her family possibly joining us in CT for Bill and Pat's annual Labor Day family reunion, how it would have been Kathleen's 86th birthday that weekend, and how much we miss our Moms, she said that "sometimes I can't wait to see my Mom in heaven". Now they are back together again.

*May all the great memories bring you some comfort. We are lucky and blessed to have had Barrie in our lives. Tom and I will see you tomorrow. Love and hugs to all,
Megan*
