“ To the family and friends of Bunny:

Please accept my sincere condolences on the loss of your Mother, Sister, and Grandmother.

I have so many fond memories of Bunny over the years. She carried her challenges with grace and humor.

It was so nice to spend time with her at our last St. Leo's Reunion. Know that she loved her family and friends and found special joy with her Grandsons.

*Sincerely,

“ RIP my dear friend Bunny, you could always be counted on to make our cancer support group laugh. I remember how much fun we had the time Bunny ,Sandy Frech and I spent in Beach Haven at my parents home, she loved the beach so much. She dealt with so much illness so bravely, God has finally given her peace. Until we meet again my friend, you will be in my heart.
