"B" my heart is so heavy having received this painful news...Your strength and courage to fight this fight was almighty. Your kindness, selflessness, out going personality, and beautiful smile will always be remembered. To your beautiful children and family (you were ALL a part of our lunch breaks daily, lol) I send my deepest condolences, and I hope that one day you will be able to find peace and comfort, and know that Brenda's love "over-flowed" for each and everyone of you! Rest in peace my sweet friend,

June

“ I worked with Brenda at Acentus. She ALWAYS had a smile on her face. And you could hear her no matter where in the office she was :), and she was probably talking about her kids! If you had a birthday, watch out because you were coming in to your cubicle completely decked out! Our b'day cubicles looked very sad when she wasn't there. She was smart and funny and I very much enjoyed talking with her. I will always remember her with a warm feeling in my heart. Love and prayers for all of your family

My childhood friend- We attended the same elementary, middle and high school. We were neighbors living on 2nd street in Philadelphia for a good portion of our lives. I came out in your Sweet Sixteen and Wedding. Although, I am not active on social media, we always managed to keep in contact by phone/text. When I heard the news I could not believe it. I know how strong of a person you were. Did not get to see you much in 2020 because of the pandemic but we still manage to keep in touch. I am truly going to miss you. I love you. Until we meet again.
