“ *I will always remember the time that Brian took me out for lunch to Chickies and Petes on the Rowan University campus early on in my first semester. He made me feel much more comfortable being in a new environment and couldn't stress enough how proud he was of me for being there. That really helped with a big transition in my life, and I will always appreciate it.*

Brian will forever be remembered as a respectful kind gentleman. He was always so grateful for the smallest things and went out of his way to make others feel special. I can only hope he knows how much he was loved by all and how much he will be missed. Please watch over your family now and fly high with the angels. Love Aunt Monica and Uncle Bob
