“ I've always considered Brian, one of my best friends growing up. He had an infectious smile. I always felt better, just being around him. It's a special person, who's mere presence makes you feel good. That is Brian.
Even though I haven't seen Brian in many years, I will miss him dearly.

“ I met Brian at Golden Slipper and then we met up again at Pauls Run. I am a better person for having known him. He made each day fun and showed us all how to do our best without stressing! He always said " you are a gentleman and scholar" to all the guys, but..... HE was truly the gentleman and scholar.

“ *Brian will truly be missed, I worked with him almost 20 years, he always was a positive person, so loving and caring towards others, he truly was a Gem. He fulfilled his duties of being a Nurse and he loved it genuinely. There was nothing he wouldn't do to brighten somebody's day. His presents will be missed, he brightened the entire room when he was around. Rip Brian, my condolences to the entire family*
