

Bruce E. Cornwall

June 8, 1951 - August 9, 2019

Bruce E. Cornwall, 68, passed away suddenly at his home in Maple Shade, NJ on Friday August 9, 2019.

At 19 years old, Bruce joined the United States Marine Corps where he excelled and attained the rank of Gunnery Sergeant. During his 10 years of service, he was deployed, served on the USS Forrestal, and spent several years as a drill sergeant in San Diego, CA. Upon his retirement from the Marine Corps, Bruce moved his family back to Maple Shade where he started his career in the truck driving industry.

Bruce E. Cornwall was the beloved husband of Linda Cornwall (nee Marshall) for 49 years. Bruce was a loving father to his son, Bruce Cornwall. He was a caring brother to his 3 siblings, Gary Cornwall, Janet Frattorila and (late) Rick Cornwall. He will be dearly missed by his Marshall In-laws, nieces, and nephews.

Services for Bruce Cornwall will be held privately by his family at a later date.

“ *To the family of Bruce, for some reason I was thinking of Bruce so I googled his name and read this. I am so sorry for your loss, I pray that the Lord continues to comfort your family.*

I had the honor and pleasure of working with Bruce in San Diego at Sea School and NCO School. This Marine was a true professional whenever he would get up on the platform and teach his classes. He was always quick with his jokes and would have all of us laughing. But make no mistake, Bruce was a true Marine.

I wish I could have stayed in touch with Bruce but as you know when orders to ship out come in, we loose contact with each other. I left the Corps in 1982 but reentered in 1988 and retired in 2004. I wish you all comfort and that the Lord continues to Bless and Protects your family.
