“ Bruce will be greatly missed by everyone at Greenfield Dodge and Route 1. He has had a lasting effect on all our lives. From the laughs and jokes to the anger and misery, we were all in it together. We helped each other out every day to get stuff done. Bruce always helped me with the older technology and I helped him with the new stuff. Whenever he asked me for help I would stop whatever I was doing, no questions asked. I was happy to help him at any time because he taught me to much. He was patient, fair and kind. We all loved Brucie. He was a great mechanic, a great coworker and a great friend. My deepest sympathies and condolences to his family. Bruce will be in my prayers for as long as I live.
