“ I was so sorry to learn the sad news of Carmella’s passing. She was an amazing person - a truly thoughtful, generous and humble woman who treated everyone with respect and kindness. Carmella made this world a brighter and better place wherever she was in life. Being in her company was always a fun and uplifting experience. I am grateful for the privilege to have had Carmella in my life as a good friend over so many years and for the wonderful memories that friendship has given me. Especially among them are the years I worked for Carmella when she and her long-time partner Tony managed the kitchen and banquets at Ramblewood Country Club, where I shared the best of times with both of them, her niece Jean, my sister Cass, and Carmella’s best buddy Gert. She will be remembered always for her gentleness and happy, enthusiastic personality. My thoughts, prayers and heartfelt sympathy are for Carmella’s loved ones,
