“ *When I first started going to St Philip's, Connie took me under her wing. She attended daily Mass, Adoration every Friday and 40 Hours devotion. She just spread joy wherever she went. She inspired me to love my Catholic faith. She often invited me over for homemade Italian food and good conversations over wine. She loved my cat Maggie and would always remember to get her treats. I have many wonderful memories of Connie. May all the love she gave be her crown in heaven. God bless her loving family who took such good care of her. You are blessed.*
