“ I first met Carol on a knitting retreat to Sante Fe in 2008. We connected once home to NJ/PA along with others from that trip and the group became friends ever since. We all shared many gatherings together as well as one-on-one time I had with Carol. She was the person who convinced me to embrace quilting and encouraged me as I got started. I enjoyed sharing this passion with her these last ten years as well as our knitting. She always remembered birthdays as several of us were celebrating in Dec/Jan along with her. You are missed my friend 🥺

Aunt Carol was a very thoughtful and loving aunt and great-aunt. Although there was geographical distance between us, she always made such sweet efforts to keep us all very close and to let us know that we were all very special to her. We miss her.
