“ *Fondest memories of Aunt Carol, Bumping into her at the Philadelphia Flower Show with my partner Kent Russell. She would give us the low down on the inner workings of the show. She was a major part of the design and layout of the oldest flower show in the country! Kent knew her before I met him since she would go shopping for PHS and Fairmont Park at Russell Gardens Wholesale in Bucks County. Kent helped Carol shop for plants to use in her designs for the park.*

The house she owned on Pechin St in Manayunk was a horticultural delight to visit with so many interesting species of plants.

Sometimes she had requests for unusual hard to find plants that could be delivered with a nice lunch on the patio to follow.

I am grateful for the Fun memories spent with her.

“ *My Aunt Carol was my fun, creative, independent Aunt. She loved her family, friends, and animals fiercely. As a kid. and an adult, I always enjoyed our visits. She lived life on her terms and to the fullest. She was loved. She will be missed but my memories are great and she's reunited with her sisters and parents again.*
