

Carol Young

July 15, 1941 - February 14, 2020

Carol Young of Cinnaminson NJ, formerly of Delran NJ, passed away on February 14th at the age of 78. Carol is survived by her two daughters and four grandchildren: Tina McKenna Edwards (Boyd), Katie & Matthew McKenna and Cheri Voorhees (Rob), Alex & Abby Voorhees.

Carol was born in Plainfield New Jersey on July 15, 1941. She graduated Phi Beta Kappa from Dickinson College in Carlisle Pennsylvania in 1963. Upon doing so she also received the "Amy Burnham Onken Award," the most prestigious national award that Pi Beta Phi bestows on an individual.

While raising her two daughters, Carol worked as a teacher in the Delran School District, for twenty five years. As the very first coach of the Delran High School girl's soccer team, Carol won numerous state championships and is in the N.J. Girl's Soccer Hall of Fame.

After retiring, Carol had the opportunity to travel extensively both stateside and abroad. She really enjoyed staying busy by going to the theatre, playing cards, cheering on her beloved Eagles, and going out to breakfast with friends. Carol loved nothing more than spending time making beautiful memories with her grandchildren. She always said that one of the best things she ever did was purchasing her vacation home in the Pocono Mountains. She loved going there to "get away from it all" and spending time in nature whether it be by herself or with her family, friends and beloved dogs.

All funeral services will be private.

“ *Oh, Cheri, I am so heartbroken to learn of your mother's passing. She was such a beautiful person! I remember visiting my brother, Darron, the summer that he graduated high school and meeting you and Tina and your mom during that vacation. She was so happy and outgoing. She invited me into her home and made me feel like I was part of the family, like I had known her forever. I have missed her genuine smile and love for all whom she knew. Condolences, beautiful lady. Your mom will never be forgotten!*

“ *This news is so heavy on my heart. Numerous memories of Carol have filled my day. Carol taught me how to care for and ride a horse, how to make an art piece out of household objects by tole painting on the object, and how to enjoy wildflowers. I loved her so much. All of my family sends their condolences.*

“ Dear Family of Carol, I can honestly say You could not meet a more honest open and caring person as our Friend Carol. She was a beautiful person inside and out. I knew her only briefly when she was a teacher but came to know her as a friend when we began to work together on a team for Relay for Life. She then began to go to Sunday breakfasts with us and was always positive and upbeat. She often made us laugh till we cried whether at breakfast on in the Pocono"s. Special times in the Pocono's are ones of Friendship and love we will never forget. In life we are touched by people who leave their thumbprint on our hearts. Carol we will always know and feel your love by that print you left with us. Lastly I would like to quote words that were sent to us when my daughter died. " Although you are no longer physically here, your essence will live on in our hearts". So, so blessed to have known Carol Young and call her Friend.

“ Carol was a friend that everyone would want, she had a sense of humor that would always make me and my friends laugh at our breakfast or at the poconos. I was proud to say she was my friend and I loved her for who she was.

I am so sad to hear of Carol's passing. I have many fond memories of the old days at Millbridge and DIS. Carol brought joy to everything she did and those of us around her were brightened because of it. I can still picture her dancing with the group on Boss's Day one year. She was always in on the fun things and smiling. Love to Cheri and all the family.

Love, Roberta
