“ We are so deeply sorry to hear about the passing of your mother.

*Words feel inadequate right now, but please know that you and your entire family are in our thoughts. Your mother was a truly remarkable woman whose generous and welcoming heart touched so many lives.*

*We will always remember her as the heart of a home that was truly open to all. It was a place where everyone, without exception, felt the deep kindness and love she and your father shared. She had a unique gift for making people feel seen, valued, and immediately at ease. Her spirit made your house feel like a safe harbor—a place where you knew you would always be greeted with warmth and leave feeling a little better than when you arrived.*

*Hold tight to the beautiful legacy of love and hospitality she created. That enduring spirit is one of the greatest gifts she could have left all of you.*

*Sending you all our deepest condolences and strength during this difficult time.*

*With much love and heartfelt prayers,  
Jim Norris and Tom & Melissa Moulketis*
