

## Carolyn D. Capone

November 7, 1974 - January 12, 2026

Carolyn Capone, of Maple Shade, passed away on January 12, 2026, at the age of 51. Born in Willingboro on November 7, 1974, Carolyn was the beloved daughter of the late Daniel Capone and the late Katherine Jacobson.

Carolyn grew up and spent nearly her entire life in Maple Shade, a community she held close to her heart. She was a gifted floral designer for more than 25 years, sharing her creativity and artistic talent through her work at Moorestown Flower Shoppe and Distinctive Designs. Her arrangements reflected her passion, attention to detail, and natural eye for beauty—qualities that defined both her career and her spirit.

She is lovingly remembered by her sister, Kaytee Capone; her devoted partner, Nick Cook; her grandmother, Joan Jacobson; her aunts, Joanne Burke and Barbara Bernard; her uncles, Frank Burke and Larry Capone; her niece, Daniella Britton; and her nephew, Francisco Britton. Carolyn was also cherished by her many friends and acquaintances, all of whom were touched by her kindness, creativity, and warm personality.

Carolyn had a deep love for animals, especially cats, and she adored her dog, Crystal, who was a constant companion and source of comfort.

“ I met Carolyn Capone in art class at MSHS, and we became friends immediately. It was a true, genuine friendship that began in our high school days and lasted a lifetime. We continued to spend time together and share incredible experiences as we grew up. Even years later, when I moved out of New Jersey, we would still talk on the phone for hours, picking up right where we left off. When a very close friend of ours passed away, I couldn't afford to fly back for his funeral. Without hesitation, Carolyn insisted that I come and paid for my plane ticket—no questions asked. That was who she was. Carolyn was one of my true friends. We used to say we were ride or die. There is so much more I could say about what an amazing friend she was—how humble she was, and most of all, how honest. I will miss her terribly, forever. Last month, I was calling and texting Carolyn to catch up due to a life event, expecting her to call me back like she always did. I wondered why she hadn't—but now I understand. She was a beautiful soul and my best friend. Rest in peace, Carolyn. I love you always. Until we meet again.
