I am the goodness of God.

The power, presence and peace of God surrounds me at all times.

I relax into this power as it moves in, through and as me.

I am connected with this Devine Essence for all my life and even beyond.

I am one with the One.

My world is what I make it when I partner with God.

“ David, Our thoughts and prayers are with you and all of the family. I have known Carolyn since first grade. Bob has known her since then as well. She was in his first communion class. She is our daughters godmother. Her smile lit up the room and her laugh was infectious. I never saw her angry, she never complained. We had so many good times together. We are sadden by her passing and will miss her greatly. Please take care and know she is always with us. Sincerely, JoAnn and Bob McSorley
