“ To all the Earle family, especially to my buddy Bobby. We had the best time growing up on Mandolin Lane in large part because of our parents ever watchful eyes and treating us all like family. I remember going into your house and hearing your mom playing the organ and champ lying in the corner like it was yesterday. There are so many stories to share about our parents it would take a book, the one thing that does stand out about your mom was her zest for life and speaking proudly about all her children. It's difficult to be sad about your mom's passing, living such a long and happy life and I'm sure you all feel the same. Best Regards, Jim Donzanti Winter Springs, Florida

“ Our loss is Heaven's gain. Your mom must be telling her stories to a big crowd. I always loved hearing them. Cathy, you know I loved her, so sorry I never got to see her one more time to tell her. Find peace in knowing she has found hers. To all the Earles, I am sad for your loss of a wonderful Mother. I like to think of Mrs. Earle having a wonderful reunion with all her loved ones who passed before her. She is in Our Lord's Arms now.

“ To The Family of Mrs. Earle. What sweet memories I of have of your mother and grandmother. I can hear her laughing as I write. She was a wonderful lady and a terrific mother. My most recent and favorite memory of her is watching her dance at her grand-children's weddings and my own children commenting on her energy and style. May you find peace in knowing that she is reunited with your dad/grandfather and other loved ones who have also passed. I am sure they are having a h\_ll of a reunion.Peace.Margot Boucher Kawecki & Paul Kawecki

“ I wish to express my sincere sympathy to Jack, Bobby, Dave and Cathy and the entire Earle family, in this time of bereavement. My thoughts and prayers are with you. The Earle family was like a 'second home' for me. I had the upmost respect and fondness for “Mr. Earle”, my old baseball coach. And Mrs. Earle was a very special lady and I always look forward to visiting the Earles when I lived in Levittown.With love and friendship, I share your loss Don Colligan - JFK HS Class of '65
