“ *Aunt Kitty was indeed the sweetest person. I never heard an unkind word from her. I was envious of her large and happy family-there was always something hilarious going on there!Uncle Eickey was my Godfather and I never knew my Godmother, so Aunt Kitty became the stand in. She was a lovely lady and a great role model for her daughters. Those are big shoes to fill!*

“ *Kathy and I would like to offer our condolences to the Thompson Family. Mrs. Thompson was a Great Mother for her children and a Woman of Class. We always enjoyed talking with her whether on Hellerman St. or our walks to the beach with our kids in Sea Isle. We have some great memories from our time at the shore, and Kitty is a big part of them. God Bless.*

“ *Aunt Kitty was one of the kindest people I have ever known. She was my Godmother and she always made me feel special even though she had many nieces and nephews. My children got to know her as well and she always made them feel loved and she cared about what they were doing in life. She had such a loving family and I am so proud to say I was a part of that family. She will be missed just as her parents and siblings are missed. I Love You Kit.
