“ I have too many stories to tell with one of my favorite uncles. We spent so much time together from racing up and down route 130 in his charger. To visiting other aunts and uncles for the day. Letting me practice driving for my test in Judy's brand new mustang. Shh don't tell her that. To marrying into the Johnson family. To living next door to each other and allowing me too babysit Chuckie all day. I will miss him dearly and loved him always. RIP Uncle Chuck. Fly HIGH ❤️
