“ Christina was a fun and caring friend to me since Kindergarten. I remember playing Laverne and Shirley with her at her grandmother's house when we were little, and watching General Hospital after school. Her excitement for experiencing the world helped shape me into who I am today. I miss her and pray for you all: Robert, Joe and Bob.

“ Prayers lifted to family and friends of the beautiful girl I remember so fondly. She was kind from the moment I met her in kindergarten. I have so often recalled fun moments together, even all these years later so far into so-called adulthood. I pray for comfort, peace, and strength for all of you whom are affected so deeply by not only her passing, but also her life, and that all may carry a piece of her goodness with you.

“ Christina was such a nice and fun person. I have fond memories of a sleep-over party at her dad's place circa 8th grade where we listened to 80s pop music and laughed our heads off. My thoughts are with all of you.

“ Christina, I'm so sorry to hear of your passing. I remember you as a kind, sweet, fun, energetic and giving person. Years ago, when you remembered me, as I sat in the drive thru window at the bank you worked at, I was surprised that you'd remember me the way you did from high school. I thought to myself, what a thoughtful person to have recalled so much about me. You had a way with acknowledging people and making them feel like they mattered. Thank you!! Your life certainly mattered to many! I'm sending my prayers for you and your family. May God's healing peace be with you all.

“ Thoughts and prayers to you Christina and your family. Rest in Peace. I have great memories of you in school and later in life when you used to come up to the Moorestown Mall when I worked as manager at the Eric Theatre. It seems like a life time ago but the memories never go away. See ya again in heaven.
