“ *Dear Theresa,  
I did not know Chris we'll, but I feel like I know what a wonderful man he was by hearing and reading about him. You are a beautiful person and you two made a beautiful family. There are no words in our language that can express what a loss this is. Our family will keep you in our prayers.

“ The last time I spoke with Chris he had kind uplifting words for me. Can you imagine this!? At the time he hadn't been able to get to too many sporting events but this particular Day he was on the sidelines quietly supporting Caroline. It was I who should have been trying to uplift him yet out of nowhere he paid me a compliment that hit me right in the heart. I will never forget that moment in time and will be forever grateful for being lucky enough to have crossed paths with this man and his family.

*Chris is definitely walking with Jesus now. He won!*

“ Dear Theresa,

*I send the promise of my prayers at this sad time and will have the parish of Our Lady of the Lake, Seattle, remember Chris at all the Masses this weekend. Vince has kept me in touch with Chris' 'sojourn' with cancer. I do believe he's with God and out of suffering. Yet, you and the kids suffer the loss of such a good man. Vince has spoken so well of his brother-in-law.*

*May you find strength through your faith and the love of family and friends. May you sense Chris' love for you living on inside your heart, and within the eyes of your children in the days and years ahead.*

*Sincerely,*

*Father Tim Clark, Pastor*

“ *Thinking of you Theresa, Katie, Caroline, Gillian, and Chris during this difficult time. Chris was the nicest uncle and the best brother-in-law in the world. He was also the best dad, husband, son-in-law, cousin, and friend. He loved you all so much and would do anything for each and everyone of you. He was always so kind and fun to be around and always willing to help others. Chris will forever live in our hearts and never be forgotten. He will truly be missed. Please know we are always here for you. God Bless you all. Love, Lisa, Gregg, Matthew, Catherine, and Joseph*

*Chris - You were a great father, husband, family man and friend.... You radiated peace and serenity.... You were always a perfect gentleman and I am very sorry that you are no longer here.... You take comfort in that you touched the lives of many people in a very positive way and that there are a great many people that are helping your family during this very sad time...*

“ I first met Chris on the ice as it turned out he was on my adult ice hockey team. He was a giant man in his gear and quite intimidating looking man. But I quickly learned he was a gentle giant who loved his family dearly. I will miss his smile!! Great man

“ *I couldn't have asked the Lord to give my sister a better husband and father to your beautiful four children. Twenty four years you have put a smile on my sisters face and love in her heart, which in turn, has given our entire family the warmest of feelings of love from you. You were an angel when you were on this earth which was shown in the numerous ways of love and dedication you have to your family and friends. Now you will go on to become our angel up above. The lord giveth and the lord taketh but we will never stop missing you here. In the hardest days i will try to remind myself, our family, my sister and your beautiful children that you haven't left truly, you are there every time the sun rises, the wind blows and the birds chip. You are alive in everything they do and will continue to do.*

*Rest Peacefully Chris. It has been a blessing to have had you in all our lives.*

“ God saw you getting tired and a cure was not to be. So He put His arms around you and whispered “come to me.” With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best. And Chris was certainly the best. Keeping all of the Casey's in our prayers at this most difficult time.
