“ Hi Donna and girls, I wanted to send my condolences to you and tell you how sorry I am about losing Chris. He was a great co-worker who was funny, smart and a good friend while working with him at Whitehall. I will remember his sense of humor and what a great person he was. Drew, Alyssa and I still bring up the time we made the gingerbread house and what a mess we made...but how fun it was and memorable, just like Chris. I'll be on a business trip during his viewing but my thoughts and prayers are with you all.
