“ *We have so many fond memories of working together with Connie in EPAA. We remember the exhausting, yet fun times, being together working Dark in the Park, concession stands, and soccer games. Connie has touched so many lives. We are blessed to have had Connie as a friend. Our thoughts and prayers are with the entire Anthony Family.*

“ *Connie was always a good friend and a Team nurse, always willing to help. I worked with her at Lourdes and will remember her ready smile and piercing brown eyes. Connie's sense of family was her finest quality and she will always be remembered dearly as part of our nursing family. God Bless you, Anthony family, as you travel this difficult journey. She is now at Peace. I am blessed to have been a part of her life.*

“ I always loved talking to Connie about our Phillies; win or lose. We were not fair-weather fans. We both had season ticket plans, and I remember her saying once she liked to sit out in left field so she could watch Pat Burrell's butt. We laughed a lot. I ran into her at spring training 3 yrs. ago...the only time I got there, but she went faithfully every year. She loved life and spoke so lovingly and proudly of her family, especially her grandkids. It's hard to believe she's gone. Those of us who love her have been blessed. Sincere sympathy to her beloved family.

“ My dear Concetta. Not only did we have the wonderful connection of being pregnant together, we shared so many common loves. Family, children, grandchildren, friends, nursing, baseball, the shore and fishing to name a few. Sincerest condolences to Ray and the rest of her family. We will all cherish our loving memories of Connie as she lives on forever in our hearts. Will have a special tribute for her at Brighthouse Field in Clearwater, Fl. on 3/3/15. Will root for the Phillies in her honor!

“ *Connie was an angel here on earth!!! She was warm, funny, giving and a wonderful nurse. After she retired from Lourdes she came to work at The Children's Home where the at-risk youth and staff loved her and named her 'Silver Fox'. My heart is broken and she will always be with me. Thoughts and prayers to her loving, wonderful family who she so loved!*

“ *My dear friend I will miss you. In December we talked and were optimistic and hopeful you would have a remission. I'm glad out last time talking was a positive one. I will miss you terribly in our favorite hotel in Jamaica this year. I will still get the building next to the pool! Your favorite. Ray, you will always be welcome to come with the girls. We all liked to stay on the beach, drink cocktails and wait to eat. My thoughts and prayers are with your family and the many friends who loved Connie. Cheryl S*
