“ *The memory I have of Daniel is him killing my sister, leaving her there like she was trash. The pain that I and my family endure because of him and his selfish cowardly act after running for 22 months with no closer and all the stress took my father...you can't hide from from God he sees everything...karma is a real thing this is a prime example...you are now being judged by the one and only our Lord Jesus Christ ...Maria Pozzi Theresa's little sister...*

“ *There has never been a time that I was around you that you didn't make me laugh. Definitely gone too soon. It is said that 'no one is ever really lost to us as long as we remember them'. You will always be remembered. Watch over your amazing boys.*
