*"Some people come into our lives, leave footprints on our hearts, and we are never the same" (author unknown)*

*"Pop" was a great man whom touched our hearts with so much joy and love. Never spoke an unkind word about anyone. Lived his life completely. I have been so blessed to have had the chance to know him even though it wasn't for a long period of time. He will live within my heart forever.*

*I want to thank him and also "Mom" for accepting Jennifer as if she was of their own flesh and blood. They were true examples of loving grandparents that have left lasting imprints within our hearts. We will see you again some day.*
