“ I have so many fond memories of growing up and playing football , basketball , wiffleball or street hockey with Danny , Timmy , Walt , Kirk and Steve , Tommy Krivulka , Bobby Leroy , The Bergers , Bobby Lewis , Scott Vanaman , etc.... I know I've left some guys out and I apologize . Danny was always a good sport and had a great spirit about him . It took a lot to get him mad too . Thank God . We all had so much fun and we made fun of each other too , but I believe , we all loved each other when it came right down to it . I'll never forget the night Timmy knocked Danny's tooth out while playing street hockey on Colsey's tennis court . Timmy was so beside himself too , but Danny took it all in stride . As we got older I didn't see Danny as often , but I'm sure he was a great son , brother , brother-in-law , uncle , and husband . He was such an easy going guy and I'll always remember that about him . My thoughts and prayers are with his family and friends during this difficult time . He continues to live on in our hearts and minds . So , he is never really too far away . God surely blessed us all with Danny's love , friendship and his good nature . Rest in Peace Danny .
